

Common Service Centers to support IGNOU online services

"Education is a liberating force, and in our age it is also a democratizing force, cutting across the barriers of caste and class, smoothing out inequalities imposed by birth and other circumstances."

With an aim to make IGNOU online services accessible to the prospective and enrolled learners, Indira Gandhi National Open University has signed an MoU with CSC e-Governance Services India Ltd., Ministry of Electronics and Information Technology, Government of India for creating a platform for digital support.

IGNOU learners who do not have a credit / debit / net banking can now make cash payments at the Common Service Centre's (CSCs) and access the online services of IGNOU. A nominal service charge in addition to the prescribed programme fee is to be paid to the CSCs as service charge.

At present around 550 Village Level Entrepreneurs (VLEs) and Akshaya Kendras associated with CSC are functioning in the six districts under the jurisdiction of the Regional Centre Trivandrum. IGNOU Regional Centre Trivandrum organized two training programmes for the VLEs under the jurisdiction of Regional Centre Trivandrum.
